

## **This Is My Worship**

In all I do and all I say, let Your love abound through me  
On every path that my life takes  
Let Your light shine out of me

In things that are seen and things that are hidden  
I'll seek to delight Your heart O God  
For nothing is mine that You have not given  
I'll honour You Lord with my whole life

*This is my worship, this is my worship  
Living for Your glory O God  
In all of my dealings let me be pleasing  
It is Jesus Christ who I serve*

With every gift Your mercy brings  
I will work towards Your cause  
To share good news with every heart  
Is Your charge to those You've called

Your love is so vast  
Your grace so compelling  
And all that is good is sourced in You  
Now as I draw near You call me to share in  
The wonder of all the Godhead's love
