

## Treasure

We have this treasure from the Lord our God  
A gift of mercy from His hand  
His all surpassing power at work in us  
To show His Glory and His plan  
For He has offered Hope to all mankind  
Through sending Jesus to the cross  
And now this light he's shone into our hearts  
We're holding out to all the world

*We will sing out, we will proclaim  
The wonder and joy of His endless grace  
Drawing us on 'till Jesus comes again  
To take His people home*

Now with His power in us we'll reign in life  
With eyes of faith we'll move ahead  
The Spirit helps and strengthens us each day  
Confirming our eternal place  
Our confidence is not our ability  
Nor in the earthly strength that we hold  
But in His grace he takes the fragile things  
To show the greatness of His love

No longer living for this passing life  
We'll fix our eyes on what is sure  
There is a heavenly place prepared for us  
That will not ever fade or spoil  
So we will walk the path he has given us  
In full obedience and with faith  
For when the road is tough we will not lose heart  
But keep on trusting in His word
